

TH-X

TH-X

Smart Tripod Companion

With improved operability, stability, and rigidity, the TH-X is by far the best tripod system that Libec has designed in this range.

Head

SNAP **ON/OFF** PLATE

Equipped with a one touch attach and release mechanism. Also, the sliding plate is compatible with Manfrotto and Sachtler heads, for speedy and easy setups in the field.

Tripod

Compact & Robust

Compact diameter of only 105mm/4.1" when folded. Newly designed legs and leg locks, the rigidity is greatly enhanced compared to other tripods, while maintaining an amazing lightness of 1.1kg/2.4lb.

DUAL HEAD

Dual-head specification available for both 75mm bowl and flat base tripods. Mountable on sliders, skater dollies, and other equipment.
